```
COS 226 Fall 2009 Class Exercise 2 5 questions; 2 pgs. Due 2009-09-03 3:15 p.m.
(c)2009 Sudarshan S. Chawathe
```

1. List the members of your group below:
2. Write the depth of each node in the following tree to the immediate left of the corresponding circle. Similarly, write the height of each node to its right.

3. List the nodes of the tree of Question 2 in preorder:
postorder:
inorder:
level-order:
4. Present the linear representation of the tree of Question 2 using the method described in class.
5. Using the usual graphical notation, depict the tree whose linear representation is

$$
(A,((B,()),(C,((E,((G,()))),(F,()))),(D())))
$$
