

1. List the members of your group below. Underline your name.

2. Evaluate the assigned project report using the rubric outlined in class and summarized by the following table.

Item	Pts.	Abbr.	Scores			Comments
			1	2	3	
Submission	1	SB				
File name	3	FN				
Identifying info	3	ID				
Paper format	3	PF				
Abstract	3	AB				
Problem definition	3	PD				
Motivation	3	MO				
Related Work: competitors	3	RC				
RW: used by	3	RA				
RW: uses	3	RU				
RW: background	3	RB				
RW: motivation	3	RM				
RW: description of relation	3	RR				
References format	3	RF				
References info	3	RI				
References relevance	3	RS				
Figures	3	FI				
Method	3	ME				
Optional items (results, etc.)	3	OP				
Writing basics	5	WB				
60						

3. Comments on the above. (Use arrows to identify.)

4. Write a brief paragraph describing the problem addressed by one of the reports you reviewed. (Pick one which had the lowest score for PD.)

5. List the three scoring items of your own report that you believe are the strongest. Repeat for three that you believe are the weakest.
